\*Your email address will only be used for PTA communications and announcements from the community that are of specific interest to our school population. We will NOT publish your email in any directory, your email address will be blind to other recipients, and the PTA will not give names to any other organization. Having your email address gives us another channel for communicating school emergencies, upcoming events and District news. It does not take the place of signing up for the district alert system or emergency phone calling. Thanks.
